Thank you for your flexibility and support of your student's involvement in vocal music!

Performance Policy

Participation in public performances is mandatory. **Concerts are a large portion of the student's grade. It is essential that all students be in attendance.**

Students who will be absent from the concert need to provide the vocal music director with a hand-written note, e-mail, or parent phone call prior to the concert. Illness and family emergency is the only automatic excused absence. The vocal music director must excuse any absence at least *one week prior* to the performance date. All absences will be reflected in grading assessments.

Concert Attire Guidelines

The following are general guidelines for concert dress:

Girls:

- A classy black or black and white outfit
- Dresses must be knee length and no shorter (pants are acceptable)
- No strapless, sleeveless, halter, and spaghetti strap tops or dresses unless a cardigan is worn over the top (shoulders **must** be covered!)
- Please avoid low cut tops and high heeled shoes

Overall, please look professional. When students dress nicely, it shows that they have pride in themselves and their concert performance. The more professional a student looks, the more confidently they will sing! Grade deductions may occur if concert dress is not acceptable for performance.

If you have questions about appropriate concert attire, please feel free to bring the outfit to your vocal music director at school to check. Please let the vocal music director know if there are added concerns or stresses with adhering to the concert attire guidelines. Exceptions may be considered

**The students are working very hard to prepare for their winter concert!
We are excited to share our musical success with you!**
